- posto- ló- rum súppa-rem * Lauréntium ar-
chi dia-cónem, pa-ri co-róna marty-rum romá-na sacrá-vit
fi-des.

Six-tum se-quens hic márti-rem respónsa va-tis ré-tu-lit:
Meráre, fi-li, dé-si-ne; sequé-ris me post trí-du-um.

Nec terrí-tus pøene me-tu, hæ-res fu-tú-rus sanguini-s
spectá-vit obtú-tu pi-o quod ip-se mox persólve-ret.

Iam tunc in il-lo márti-re e-git tri-úmphum márti-ris,
succéssor equus súngrapham vo-cis te-nens et sanguini-s.

Post trí-du-um iussus tamen census sacrá-tos pánde-re,
spondet pi-e nec ádnu-it, addens do-lum victó-ri-æ.

Spec-tá-cu-lum pulchérimum! E-gé-na co-git ágmi-na in-
opésque monstrans præ-di-cat: Hi sunt o-pes Ecclé-si-æ!

Ve-re pi-ó-rum pérpe-tes ín-o-pes pro-fécto sunt opes;
avá-rus illú-sus do-let, flamas et últri-ces pa-rat.

Fu-git per-ús-tus cárn-i-fex su-ísque ce-dit ígni-bus;
Versá-te me, martyr vo-cat, vo-rá-te, si coctum est, iubet.

Gló-ri-a ti-bi, Dómi-ne, gló-ri-a Uni-gé-ni-to, una
cum Sancto Spí-ri-tu, in sempí-térrna sáe-cu-la. A-men.
