A diagram consisting of three horizontal black lines. On the far left, there is a vertical black bar with a white circle at its top. A double-headed vertical arrow is positioned between the top and middle horizontal lines. Two vertical dashed lines extend from the ends of the double-headed arrow down to the bottom horizontal line. There are small black shapes on the lines: a single dot on the bottom line to the right of the dashed lines, and a series of shapes on the middle line including a small square, a larger square, a rectangle, and a small circle.
