

**Ant.  
8 b.**

I

umen ad reve-la-ti- ónem génti- um, et gló-ri- am

A diagram illustrating a 3D coordinate system. It features three intersecting horizontal lines representing the x, y, and z axes. The central point where all three axes meet is labeled 'O', representing the origin. The x-axis extends horizontally to the right, the y-axis extends vertically upwards, and the z-axis extends diagonally upwards and to the right.
